The information contained herein is intended for informational purposes only. Insurance coverage in any particular case will depend upon the type of policy in effect, the terms, conditions and exclusions in any such policy, and the facts of each unique situation. No representation is made that any specific insurance coverage would apply in the circumstances outlined herein. Please refer to the individual policy forms for specific coverage details.

"XL Insurance" is the global brand used by XL Group plc's (NYSE: XL) insurance companies. Coverages underwritten by Greenwich Insurance Company, Indian Harbor Insurance Company, XL Insurance America, Inc., XL Specialty Insurance Company and XL Insurance Company Limited—Canadian Branch. Coverages not available in all jurisdictions.
Information accurate as of October, 2010.

The XL Insurance Environmental group's Chemical facilities program provides unique insurance and loss control solutions for chemical distributors, manufacturers and the paint and coatings industry.

Target Markets

- Chemical distributors and or manufacturers
- Mix and blend operations
- Ink manufacturers
- Paints and coatings manufacturers
- Adhesive manufacturers
- Chemical operations, including brokering, warehousing, drumming/repackaging and bulk storage

Claims Services

Specialized claims handling with cost-effective solutions to litigation and remediation problems associated with an incident. Technical expertise, a nationwide network of remediation contractors and environmental attorneys, effective cost recovery strategies and responsiveness assist in minimizing the overall financial risk associated with a loss.

Pollution Products Available

- Pollution and Remediation Legal Liability (PARLL)
 - Provides coverage for loss, remediation expense and legal expense under one policy for sudden and gradual pollution conditions at or from covered locations. Includes enhancements specific to the chemical industry

Information Needed to Quote

- XL Insurance Facilities Pollution Application
- Product list
- Quality control/safety procedures
- Environmental assessments
- 3 to 5 years currently valued loss runs

Risk control services
